## Rating Sheets

- [2009 Rating Sheet 1](#)
- **2009 Rating Sheet 2**
- [2009 Rating Sheet 3](#)

Overall Assessment of Intellectual Merit: Excellent

Explanation to the applicant:

Gilbert has a strong academic background. He has evidence of undergraduate research experience at UT Austin and seems highly motivated to conduct independent research and also working in teams. His personal statement and research plan were clearly articulated and well thought out.

Overall Assessment of Broader Impacts: Very Good

Explanation to the applicant:

Gilbert addressed broader impacts in his personal statement and research plan. The proposed research in image rendering and visualization will have far reaching benefit to the society.
